

When I fall in love

An arrangement of the American classic
by Edward Haymon and Victor Young
for six-part chorus (SMATRB) *a cappella*

When I fall in love,
It will be forever,
Or I'll never fall in love.

When I give my heart,
It will be completely,
Or I'll never give my heart.

In a restless world like this is,
Love is ended before it's begun,
And too many moonlight kisses
Seem to cool in the warmth of the sun.

And the moment I can feel
That you feel that way too,
Is when I fall in love
With you.

Eric Banks

Composed in 1993, revised for The Esoterics in January 2000
for performance at the 2000 Cork International Choral Festival, Ireland,
with lyrics adapted by the composer.
